About Us

ARNICA stands at the forefront of the dried fruits and nuts industry in Iran, dedicated to transforming nature's bounty into delectable, nutritious snacks. Our passion lies in the art of processing fruits to create high-quality dried fruits that not only preserve the essence of the original fruit but also provide an irresistible taste and an abundance of health benefits.

At ARNICA, our mission is to enrich lives through wholesome, naturally delicious dried fruits and nuts, fostering a healthier lifestyle for our consumers. We are committed to sustainable practices that honor the earth while delivering exceptional quality products.

What We Do ...

ARNICA specializes in the production of premium dried fruits and nuts, carefully sourced from the finest orchards and farms and exporting them to Russia, China, India, Turkey and GCC. Our state-of-the-art processing techniques ensure that each product retains its natural flavors, nutrients, and vibrant colors.

Nuts: We offer a diverse range of nuts, providing a perfect balance of taste and nutrition. From crunchy in-shell pistachios to pistachio kernels, ARNICA pistachios are a delightful addition to any diet.

Dried Fruits: Our selection of dried fruits complements our nuts, including raisins, dates, plums, apricots, apples, figs, and more, each meticulously dried to perfection. Our products are ideal for snacking, baking, and culinary creations.

Main Export Destinations

Sustainability

ARNICA is dedicated to sustainable practices that minimize our environmental footprint. We prioritize sourcing from responsible suppliers and employ eco-friendly processing methods. Our goal is to contribute to a healthier planet while providing our customers with nourishing and delicious options.

We use RO equipment to avoid releasing the water used during the production process into nature.

Quality Assurance

Quality is at the heart of everything we do at ARNICA. We adhere to rigorous quality control protocols to ensure that every product meets our high standards. Our commitment to excellence is reflected in our choice of ingredients, processing methods, and dedication to customer satisfaction.

Why Choose ARNICA?

- **Exceptional Quality:** Our products are crafted with care, ensuring that you receive only the best nature has to offer.
- **Responsibility:** Constant quality and having a wide range of satisfied customers and partners in the Russian market.
- **Sustainable Practices:** We are committed to environmentally-friendly practices that support a brighter future for our planet.

Our Clients

- We look forward having you beside like many other friends and customers in the world;
